March 6 - Parallels Between Trump and Hitler Are Valid

March 6, 2025

Please send links and comments to hmakow@gmail.com

I like what Trump is doing domestically and roll my eyes whenever Libtards make this comparison.

But the Illuminati use the same dog-eared Playbook. Trump is like a trainer preparing a fighter for war. He is preparing the goyim for a major culling. WW3 is a repeat of WW2, Fascists (Zionists, Nazis, NATO) vs Communists (Russia, Iran, China, BRICS) the two factions of Jewish Freemasonry.

Similarities between Trump and Hitler

Both are crypto Jews

Both are Rothschild agents

Both saved their countries from Communism

Both are funded by Zionists

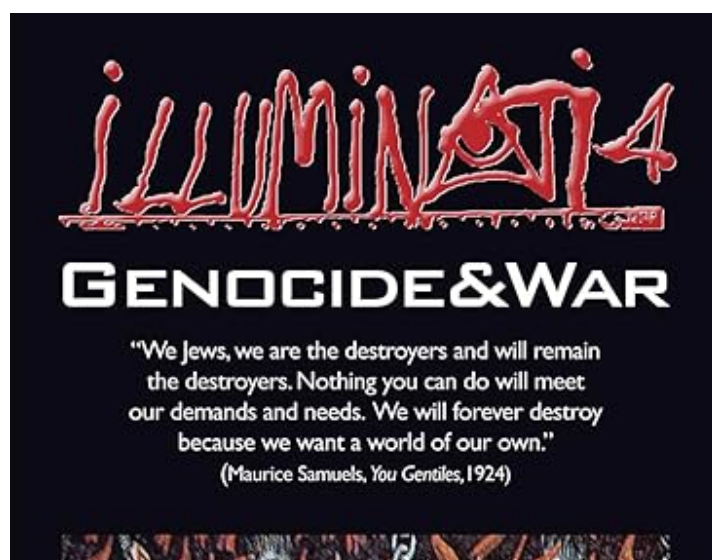

Both promote and carry out genocide

Hitler demanded Lebensraum. Trump wants to annex Canada and Greenland.

Hitler was *Time Man of the Year* in 1938. Trump in 2024.

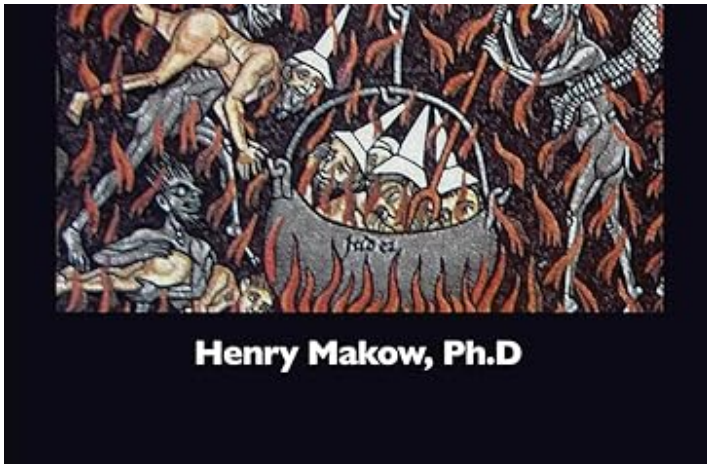

Both are mandated with starting a world war. **Hitler was a Traitor.**

Trump is ending the war in Ukraine so the US can focus its resources of Greater Israel

Left--Putin, Trump and Netanyahu all belong to **Chabad which is dedicated to the extermination of Christians.**

The leaders of radical Islam (Hamas etc.) Iran, Israel, the US and Russia are all Freemasons! Freemasons embedded on both sides initiate world

wars to destroy Christian civilization and kill goyim.

Trump tells Hamas 'You are DEAD' as he warns terror group 'I am sending Israel everything it needs to finish the job' in Gaza

<https://www.dailymail.co.uk/news/article-14466427/Trump-warning-Hamas-hostages.html>

President Donald Trump has put out another dire threat to Hamas, after the White House confirmed direct talks with the group as part of an effort to finally secure the release of American hostages and bodies of the deceased.

'Shalom Hamas' means Hello and Goodbye - You can choose. Release all of the Hostages now, not later, and immediately return all of the dead bodies of the people you murdered, or it is OVER for you,' Trump wrote on his Truth Social site.

'Only sick and twisted people keep bodies, and you are sick and twisted! I am sending Israel everything it needs to finish the job, not a

single Hamas member will be safe if you don't do as I say. I have just met with your former Hostages whose lives you have destroyed. This is your last warning!

Hamas says they won't release remaining hostages unless they get a permanent cease fire. Who is the terrorist?

-

Jim Stone thinks Trump is playing stupid- "Hamas never took hostages without Israeli approval and funding, plus a few Mossad agents, the Israeli black op REALLY WORKED.

Israel creates the problem, stirs the pot, and gets served up FREE BOMBS. If Trump is this ignorant, Israel is going to take the terror ruse far beyond the bank.

Republican Utah Sen. Mike Lee and Kentucky Rep. Thomas Massie will reintroduce legislation Wednesday afternoon to abolish the Federal Reserve.

The bill, titled the Federal Reserve Board Abolition Act, would dissolve

the Board of Governors of the Federal Reserve System and each Federal Reserve bank with a one-year timeframe. The bill would also repeal the 1913-era legislation that created the central bank to oversee U.S. monetary policy, according to the bill text shared exclusively with the Daily Caller News Foundation

If Trump Won't Sic DOGE on the Federal Reserve, What Is the Point? - Global Research **Global Research** **Presidents come and go.**

Some die in office; some retire into the lap of luxury and build monuments to their own greatness using public money; some get shot in the head by magic bullets.

So where is DOGE?

The Department of Education and even USAID are low-hanging fruit compared to the Fed.

When the dust settles, if DOGE never takes on the Fed, failing to do so might turn out worse than useless if the public is led to believe the essential corruption infesting the government has been rooted out when, in fact, only the leaves of the putrid tree have been pruned.

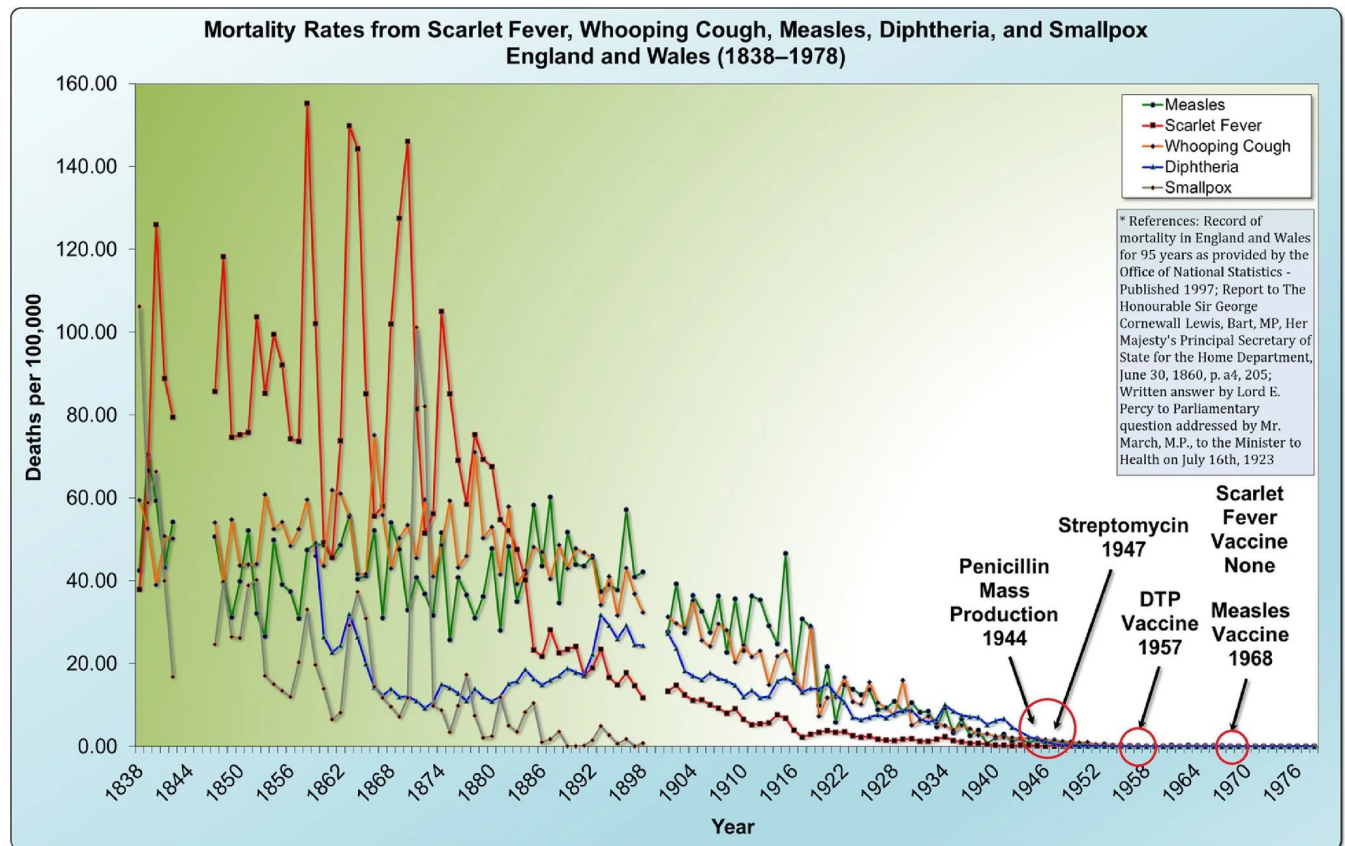

"Everyone go back to sleep now, we cut out the child-tranny budget items," the sirens will sing as they try to lull the MAGA base back into complacency, satiated by the anti-DEI culture war slop the multinational bankers are always happy to dole out if it means they slip the noose yet again.

The money machine and the interests that run it are, in the final analysis, the fount from which spring the child trannyism and the endless wars and the biomedical terror that have defined the early part of this century. Those are merely the downstream manifestations of an unaccountable and rapacious permanent shadow-state with an endless cash supply at its fingertips.

We can deliberate for hours, trying to figure out the globalist's strategy here in the states. The Democrat's communist planks were, and still are, so over-the-top that a kayfabe politician like Donald Trump can swoop in with an extremely popular set of objectives and seem like a breath of fresh air.

I have to admit, much of the stuff that Donald Trump says make sense. And that's the problem."

The Israeli government is preparing a "hell plan" for the Gaza Strip that would involve cutting all electricity and water to the territory on top of the blocking of food, fuel, and all other goods that was announced by Israeli Prime Minister Benjamin Netanyahu, the Israeli broadcaster Kan has reported.

According to The Guardian, the Kan report said that the "hell plan" would also involve forcing Palestinians in northern Gaza to move to the south to prepare for a resumption of the bombing campaign. Other Israeli media reports say Israel is preparing for a full-scale resumption of what international organizations have condemned as a genocidal war if Hamas doesn't accept Israel's terms.

Zionists Sent Assimilated Jews to Gas Chamber

March 5, 2025

*Judenpolezei
served the
Nazis*

*The
Rothschilds*

by J. Volker,
published
about 2015,
supports the
view that
satanist Jews

(Freemasons) were on both sides of WW2 and deliberately sacrificed assimilated Jews in the Holocaust in order to justify the establishment of the State of Israel. My latest collection, *Illuminati 4*, demonstrates that Satanists start world wars as an excuse to exterminate non-Satanists, especially Christians and assimilated Jews. They're planning WW3 for this purpose.

Excerpts pp. 56-62

"In the infamous Ghettos of Warsaw, Vilna, etc., the racially-classified "Jews" were kept under control by actual religiously practicing Jews through the Judenpölezei (Jewish-Police). These policemen bore the Zionist flag Herzl had created (the prototype of today's flag of Israel) on their armbands, and placed the gold Star of David on the shirts of their countrymen. They assisted in rounding up and beating the assimilated Jews of the occupied countries in preparation for the Holocaust.

In the course of the war, Jewish collaborators were employed through the Judenräten (Jewish-Council). In

Palestine, the Jewish terrorist group Lehi kept close contact with the Nazi government and the Italian Fascists as well.

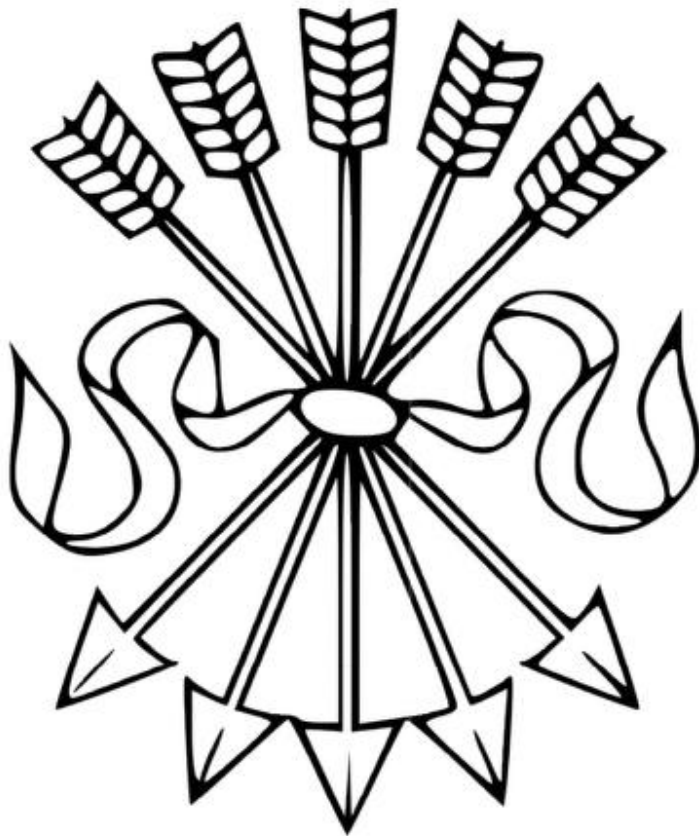

The German Admiral Ralf von der Marwitz filed the "Ankara Report" stating Lehi would "actively take part in the war on Germany's side" in return for Germany's recognition of a "historic Jewish state on a national and totalitarian basis, bound by a treaty with the German Reich".

When the Holocaust commenced, the camp guards appointed unassimilated Jews to the Funktionshäftling (prisonerfunctionary), the "Kapos", to assist in managing forced labor and so forth. And most importantly, as if echoing Herzl's directions verbatim, it was written in the "Final Solution" devised by the Nazi official Reinhard Heydrich: *The essential point is the expulsion of the Jews from the living space of the German people. In carrying out these efforts, an increased and planned acceleration of the emigration of the Jews from Reich territory was started, as the only possible present solution. The Jews themselves, or their Jewish political organizations, financed the emigration.* (59)

What follows? Exactly as Herzl said: only four years after the end of the war, with the narrative of the slaughter of the "Jews" fresh in people's minds, the State of Israel was proclaimed. The four men who played a major role in this declaration and subsequent

United Nations recognition were:

ROTHSCHILDS

J. VOLKER

Harry Truman,
the
President
of the
United
States.
He was
also a
Shriner

Freemason, a member of the Belton Masonic Lodge. He founded the Grandview Masonic Lodge, where he served as Master, and while serving as a Senator, he was appointed Grandmaster of the Missouri Grand Lodge. In 1945, just four years prior to helping found

Israel, he was appointed Sovereign Grand Inspector of the Masonic Supreme Council Southern Jurisdiction in Washington D.C. All of this information comes from the US Congress itself. (60)

Winston Churchill, Prime Minister of the United Kingdom. He was also a member of the Studholme Masonic Lodge, according to *Business Insider*. (61)

Chaim Weizmann, the First President of Israel. As we have already said, Weizmann was given a testimonial dinner by 150 Master Masons, according to the Jewish Telegraph Agency. (31)

Israel Brodie, the Chief Rabbi of Britain who was appointed through the United Synagogue that had been created by Nathan Mayer a century prior. Brodie was a Grand Chaplain of the Masonic United Grand Lodge of England (62).

For what it's worth, the World War itself was Masons against Masons: not only were Churchill and Truman Masons, but Franklin Roosevelt as well - he was a member of Architect Lodge, No. 519 (as were his sons), and he was a Grand Master in the Order of DeMolay (a Masonic youth group) (64). (Makow- Stalin was also a Freemason.)

Meanwhile, the Italian Fascists were no different - Gabriele d'Annunzio (the founder of the Fascist ideology), Achille Starace (the Secretary of the Fascist Party), and Francesco Giunta (Starace's successor),

among many others, were Masons, and in the case of the Nazis, the National Socialist Party itself was created out of a merger of various organizations, most prominently the Thule Society, a Masonic organization created by the Freemason and aristocrat Rudolf von Sebottendorf (63).

The "Aryanism" of the Nazis, too, was based on the "Theozology" of von Sebottendorf's ally, George von Liebenfels, who derived his ideology from Helen Blavatsky's Masonic (among other things) "Theosophy".

We will not get into those ties in detail here, but I have done so in [Freemasonry: The World-Historic Cartel](#), if the reader is curious.

Elon Musk & The Elephant in the Room

March 4, 2025

<https://www.youtube.com/watch?v=sSOxPJD-VNo&t=3487s>

Elon Musk is a hero but he can't step on the Fed's toes.

"There are a thousand hacking at the branches of evil to one who is striking at the root." Henry David Thoreau

By Henry Makow PhD

In a podcast with Joe Rogan, Elon Musk described the US Treasury as a ship taking water from a million holes and sinking into bankruptcy.

What he *didn't* say was that this is the deliberate program of the Soros-funded Communist-Jewish Democratic Party to loot and destroy the US.

The Demonrats set up thousands of NGO's, provided lavish funding and received kickbacks. This is how they all got rich.

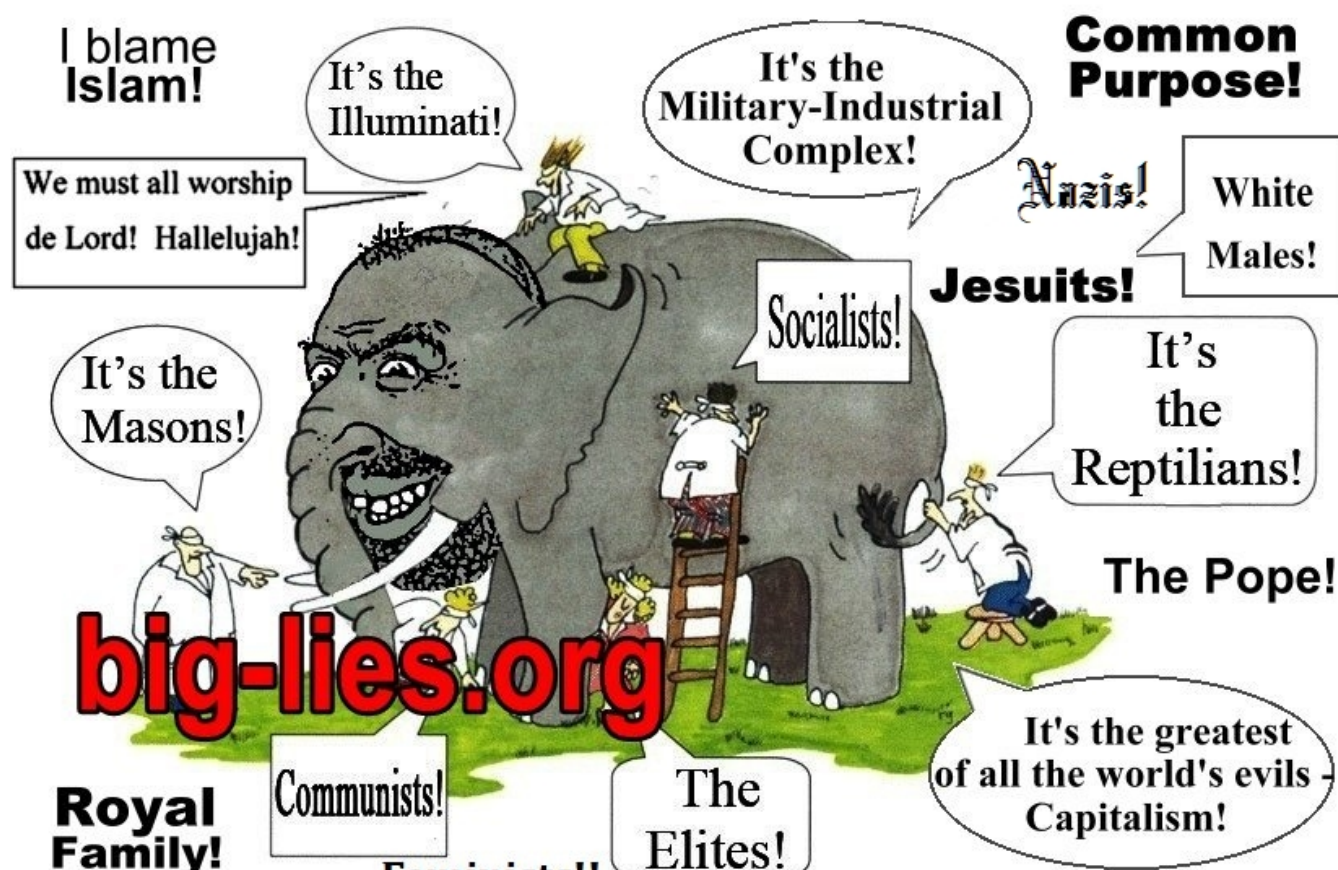

Anyone who supports the Demonrats is being paid one way or another.

Musk: "An NGO is a loophole that allows people to do things that would be illegal if the government did them. It is a graft machine that allows them to hack the system. They pay themselves enormous salaries."

One of his first reforms is to force the Treasury Dept. to identify the recipients and purpose of their billion dollar grants Yes, billions of dollars flow out of the US Treasury every hour with no accounting whatever! "They are untraceable blank cheques."

Payments continue even after the programs have ended."Someone forgot to turn off the spigot."

\$12 Billion were allocated to submarines that were never built. No one could explain where the money went.

Musk says most of the opposition is coming from the legacy media who represent people losing their freebies. "The vampires are outing themselves."

They make up false stories about DOGE cutting air traffic controllers and baby food. "Most of the media is Left-slanted. They are living in an alternate reality."

"No one's talking about ending the graft."

Musk and Rogan discuss the delays in release of the Epstein and JFK Files without mentioning the cause--they implicate Israel.

Israel has been ripping off the US taxpayers but Musk doesn't have a problem with that.

The looting of the US government is part of the larger pattern. See it in the context of the 2008 credit crunch and the Ukraine War boondoggle.

According to this logic, Fort Knox is empty, or was until they refilled it.

Musk describes the US fiscal situation as "dire."

The US is a house infested with termites teetering on collapse.

I like Musk **who fears being assassinated.** He was prompted to take action because the country is going down the drain. How can we not support him?

At the same time, he is not striking at the root. The privately-owned Fed's ability to create money as a debt to itself is an irresistible incentive to squander on war and waste because it increases debt & interest paid to the bankers.

Musk needs to demand the abolition of the Fed.

I doubt he will.

This situation has escalated rapidly, with the Texas Department of State Health Services (DSHS) reporting 146 confirmed cases since late January 2025, primarily in the South Plains region. Tragically, this outbreak has claimed the life of a school-aged child, the first measles-related fatality in the United States in over a decade."

already been worked out? My guess is that what we saw at the White House was an attempt to turn braindead Americans against Zelensky and

against the war. Remember, there are millions of low IQ liberal White women, feminized men, porn addicts, and cuckservatives who still support the war that the Ukraine started with Russia. By showing Zelensky as petulant and ungrateful - and dressed like a peasant, to boot! - the Trump administration can proceed with what they had planned to do all along, only with far less resistance."

by Mike Stone
(henrymakow.com)

Did you watch the meeting between Donald Trump, J.D. Vance, and Volodymyr Zelensky that took place last week at the White House?

Did it strike you as genuine? The first time I saw it, I thought it was. Now, after watching it several times, I'm convinced it's not. In fact, it appears to be as real as the fake Donald Trump assassination attempt that took place in Pennsylvania last summer. And, remember, I literally wrote the book on that one.

For starters, why did the meeting take place in public? Have you EVER seen a meeting like this take place with dozens of media people in the room?

Even better, let's apply one of the best methods available for determining whether an event is real or not, our **"12 Telltale Signs of a Fake Shooting."**

There are at least three matches from our list of 12 Telltale Signs that apply here. The first is non-stop media coverage. Any time you see the entire mainstream media parroting the exact same story, you can be certain you are watching a scripted event. In this case, we have both the mainstream and alternative media in lockstep in portraying this event as Zelensky "disrespected" America.

Another telltale sign of a fake event is Go Fund Me accounts immediately set up for the "victims." That's one of the ways in which the crisis actors are paid off. We can see a variation of that here with Kier Starmer, the communist Prime Minister of the UK, pledging to give Zelensky over two billion pounds only one day after Zelensky's meeting with Trump.

<https://www.thegatewaypundit.com/2025/03/watch-uk-prime-minister-kier-starmer-tells-zelensky/>

In addition, over a dozen more Communist world leaders posed with Zelensky for a photo op. Funny, how they all managed to fly to the UK on such short notice. In fact, it looks like Canada's Trudeau was there too. Doesn't it take time to coordinate security details before a country's president flies overseas? An objective observer would conclude that this meeting in the UK was planned ahead of time, even though Zelensky was scheduled to remain in the United States several more days.

<https://www.thegatewaypundit.com/2025/03/globalist-lovefest-western-leaders-line-up-zelensky-uk/>

A third Telltale Sign from our list is the use of current or former actors in key roles. Ask yourself, why is it that almost everyone involved with Sandy Hook was a current or former actor? Why were the two principles of the Pulse Nightclub event an actor and a game show contestant? Why was the fake Pizzagate shooter an actor? Why was the main face of the Parkland hoax a person who worked on air for CNN? Well, both Trump and Zelensky are former actors. Or did you forget that?

It's also worth noting that someone at the meeting, I don't know who the person was, actually brought what looks like a WBC Championship belt. Some say it's a championship belt from professional wrestling. (See the image below.) Why would someone bring that to a meeting at the White House? It looks like a wink and a nod to how fake the whole thing was.

(Trump, Zelensky, Netanyahu & Putin are all members of Chabad)

What We Do Know

Negotiations to end the war began in earnest in February when Russian Foreign Minister Sergey Lavrov and Yury Ushakov, a top policy aide, met with Secretary of State Marco Rubio in Saudi Arabia, where they discussed a three-point peace plan to end the war: an immediate ceasefire, fair elections in the Ukraine, and a final peace agreement.

Russia actually offered Zelensky a peace plan in 2022 that was very favorable to the Ukraine and very unfavorable to Russia. And Zelensky was going to take the deal - until the disheveled slob Boris Johnson flew to Kiev and ordered him not to accept it. That deal would have saved over a million Ukrainian lives. It would have given Russia only a

fraction of the territory they now hold. It was a face-saving solution that would have kept Zelensky in power. Boris Johnson torpedoed it.

As part of the three-point deal worked out by Russia and the United States, 50% of the revenue derived from Ukrainian mineral rights was to go to the U.S. to help pay back the \$350 billion in financial aid given to them by the corrupt and fake Joe Biden administration. The Ukraine would NOT be allowed to join NATO. And the Ukraine would concede territory to Russia (much more territory than what Russia was willing to settle for in 2022).

Why did Zelensky "refuse" to accept the deal that had already been worked out? My guess is that what we saw at the White House was an attempt to turn braindead Americans against Zelensky and against the war. Remember, there are millions of low IQ liberal White women, feminized men, porn addicts, and cuckservatives who still support the war that the Ukraine started with Russia. By showing Zelensky as petulant and ungrateful - and dressed like a peasant, to boot! - the Trump administration can proceed with what they had planned to do all along, only with far less resistance.

March 2 - Trump Cuts US/Ukraine Spending While Sending \$4 B to Israhell

March 2, 2025

(Courtesy Robert Malone MD)

The headline says it all. Everything done on behalf of America is really done on behalf of Israel.

Trump is an imposter and a traitor.

Organized Jewry (Biden-Trump) have implicated the US in war crimes worthy of Hitler.

But I love that Trump & Musk have saved the US from Communism.

Lena Petrova-The Oval Office Show: Are There Coincidences in Politics?

https://substack.com/app-link/post?publication_id=1533730&post_id=158209773

Petrova--"Zelensky was asked to leave without signing the deal. The White House reportedly refused to pay for the Ukrainian delegation's hotel, food, and transportation expenses. After years of finding common ground with US top officials, how could Zelensky (and his delegation, including Ukraine's Ambassador to the US Markova) so dramatically misread the room? Was the confrontation intentional by either side, both or neither?

As we were distracted by the heated exchange between Trump and Zelensky, two far more consequential events received little to no attention this week.

First, the release of the Epstein files was an utter train wreck as heavily redacted 120 pages of documents were distributed to a hand-picked group of trusted influencers, who, after joyfully exiting the West Wing, took the time to pose with the binders in front of the White House and then proceeded to post clearly coordinated messages on social media.

Second, the United States approved three arms packages worth \$4

billion to Israel. The announcement came a day before the first phase of the Gaza ceasefire and the hostage exchange deal were set to expire. The White House claimed that the arms sale was an emergency, bypassing congressional oversight. Earlier this week, the Trump White House repealed a Biden-era national security memo that required countries to receive US weapons not to violate international law or block humanitarian aid."

Free Syria. In a shocking statement, HTS leadership has effectively defended Israel's actions in Syria, issuing directives that forbid any confrontation with Israeli forces in the occupied regions of Daraa, Quneitra, and Sweida. The decree explicitly warns that anyone who resists Israeli military actions in these areas will face imprisonment.

This directive does not stop at banning resistance. It also prohibits any expression of solidarity with Palestine, including:

- ✓ Raising the Palestinian flag
- ✓ Displaying images of Palestinian leaders or martyrs
- ✓ Speaking against Israel in public or on social media

The statement further orders government buildings to be evacuated in the event of an Israeli military presence, effectively surrendering Syrian land without resistance.

HTS and Israel: A Convenient Alliance?

While HTS claims to be the vanguard of "resistance" and an alternative to the Syrian state, its actions align more with Israeli interests than with the Palestinian cause. This raises serious questions:

Where is HTS's so-called commitment to defending Palestine?

Why are Palestinian flags banned while Israeli forces move freely?

How can HTS maintain its image of "iihad" while actively collaborating

How can it maintain its image of jihad while secretly collaborating with the Zionist state?

A Manufactured Illusion of Resistance

HTS and its propaganda outlets continuously push the narrative that they are a "progressive alternative" for Syria, yet their policies align with Western-backed interests rather than true independence or sovereignty.

The reality is clear:

- ▼ HTS militants who once claimed to fight "tyranny" now criminalize resistance against Israeli occupation.
- ▼ Palestinian solidarity is outlawed, while Israel is granted unchecked authority over Syrian lands.
- ▼ This is not resistance—this is submission under the guise of governance.

So, while HTS markets itself as an Islamic force, its collaboration with Israel exposes its hypocrisy. Meanwhile, the Palestinian people continue to fight alone, abandoned by those who claim to be their allies.

Left, Syria, and probably Turkey are Zionist proxies

Trump considers pausing all military aid to Ukraine after Zelensky meeting - report

This comes after Trump and Vance asked the Ukrainian president to leave the White House early.

<https://substack.com/redirect/0a0622f9-b160-4495-a244-7ea119700c3a>

The Trump administration is considering pausing all military aid to

Ukraine, a senior White House official told the Washington Post on Friday. The anonymous officials said that the pending decision would halt billions of dollars of radars, vehicles, ammunition, and missiles awaiting shipment to Ukraine. Zelensky had come to Washington to sign a controversial critical minerals deal, wherein Ukraine would open up its vast mineral wealth to the United States. Still, it did not include American security guarantees, a disappointment for Ukraine.

"Hellstorm": Thomas Goodrich on WWII Anti-German Holocaust

Thomas Goodrich, author of *Hellstorm: The Death of Nazi Germany, 1944--1947*, argues that the REAL "holocaust" of World War II was not the Nazi killing of 6 million Jews, but the deliberate and militarily useless Allied mass murder of millions German and Japanese civilians by firebombing; the murder of more than a million German POWs who were either slaughtered by the "take no prisoners" Allies or deliberately starved to death; the Morgenthau plan to kill tens of millions of Germans (which was partially implemented, then withdrawn); and the mass rape (often followed by the murder) of millions of German women by Russian and, yes, American soldiers. (That's why your great-uncle or grandpa would never talk about the war.)

Maybe it's time to convert Holocaust museums to "Anti-German Holocaust" museums?

Jennifer--"My father was second generation American of German heritage and I was born in America in the 1960s. When I visited my relatives in Germany, in about 1999, they told me about the war and the trauma was still there. They told me about the mass gang rapes of the German women-- young, old, every one of them --they sought to destroy the entire nation's population via rape to crush their souls. They said, my female relatives had hidden in haystacks to avoid being raped.

My brother, lives in Munich, Germany (under the right to return). He told me on many buildings, including his apartment building, there are government plaques with some statement about how they honor the Jewish Holocaust etc....

Covid Response at Five Years: Lockdowns. The Quiet Coup

<https://brownstone.org/articles/covid-response-at-five-years-the-quiet-coup/>

"Restricting citizens' ability to travel is a hallmark of a police state," legal scholar Eugene Kontorovich asserted in 2021. "Infectious disease will always be with us. It cannot become an excuse to give the federal government carte blanche to control the lives of citizens." Yet the American government pursued that carte blanche in blatant disregard of the country's long-standing right to travel. Executive orders put citizens under house arrest as the disease became the pretext for usurping the most basic human liberty. Governors boasted of jailing their residents for strolling outside, the Intelligence Community imposed arbitrary dictates on who could continue work, children sat indoors for months on end, and the elderly died alone.

"From the American Revolution to 2020, pandemics and epidemics affected every major American city without the government overturning the right to travel.

ALERT: Double-check your ballot to ensure Donald Trump's name is spelled correctly; otherwise, it might be flagged as an error by the voting machines.

The Democrats seem to be using every trick in the book to influence this election, with mainstream media working to cover for them.

Here we are, only two weeks into early voting to select the next president, and already the cheating is off the charts.

By Mike Stone
(henrymakow.com)

Ballots in Wisconsin, Virginia, and other states have either obscured or purposely misspelled Donald Trump's name. Is that to make those ballots unreadable by the rigged voting machines? Are they fake ballots?

Three counties in Pennsylvania have been busted for fraudulent mail ballot request forms. And those are just the ones who have been caught. <https://www.thegatewaypundit.com/2024/10/third-county-pennsylvania-finds-fraudulent-mail-ballot-request/>

In other parts of Pennsylvania, American citizens, waiting in line for hours to vote, have been forced to watch as van loads of non-English speaking illegal aliens are escorted inside of the polling precinct ahead of them to cast their own votes.

<https://www.thegatewaypundit.com/2024/10/frustration-boils-as-pennsylvania-voters-witness-non-english/>

Voting lines in Republican counties have been shut down early:

<https://www.thegatewaypundit.com/2024/10/breaking-pennsylvania-gop-committeewoman-taken-away-handcuffs-encouraging/>

And
an

ABC news station aired a "test result"

showing Harris winning Pennsylvania by a margin of 52%-47%:

<https://www.thegatewaypundit.com/2024/10/interesting-timing-local-abc-news-station-mistakenly-leaks/>

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands:

https://www.americanthinker.com/articles/2024/10/does_georgia_s_algorithm_create_fake_voters

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing

this. <https://x.com/i/web/status/1851356742044491854>

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024

Reply from Savvy Granny

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet (JAWS) under Noachide Law with all the 'smart goy masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

Remember the French Revolution, [which alone we call 'Great' in some translations] for the secrets of its preparation are well known to us. It was entirely the work of our hands. (Protocols of Sion III.14)

The Supreme Soviet may have been dissolved Dec 1991, so it is no longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the destruction of the Western societies and economies .

The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.

destruction.
Ukrainians would think they are fighting against expansionist Russia, struggling for independence. Ukrainians will become fully subdued by us. The same will be thought by Russians, as though they defend their national interests.

These lands are ancient Jewish Khazaria, that is Israel. Slavs are temporary guests and subject to eviction. We will build the Great Khazaria - the Jewish state - on these fertile lands the same way as we created Israel, squeezing Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out."

The Khazarian Empire existed for several centuries until Russian Prince Svyatoslav in year 965 took both their City and their White Temple.
